SVP@MoGod: Because of new volunteers coming forward after our recent appeal, the St Vincent de Paul Society in our parish is able to visit more people more often! Our core work is giving friendship and support to people who may be feeling isolated, who need someone to listen to them during difficult times or would just like a regular chat. These might be people who live in their own homes or in residential care homes. If you would like to contact us on your own behalf or know someone who might benefit from our services, please get in touch with Gerry (07742925346 or gfkirwan@hotmail.co.uk) to find out how we can help.
